

How - Step 0

```
# _containment_  
  
## _fb pipeline_  
    allContains1  
    printAllDeepContains  
    printAllDirectContains  
  
## _details_  
### allContains1  
    load fb  
    load onSameDiagram  
    load contain1  
### printAllDeepContains  
    load fb  
    load onSameDiagram  
    load contains2  
### printAllDirectContains  
    load fb  
    load onSameDiagram  
    load contains3
```

- Write code in markdown

How - Step 1

```
{_containment_  
  
  {_fb pipeline_  
    allContains1  
    printAllDeepContains  
    printAllDirectContains  
  
  }  
  {_details_  
    {allContains1  
      load fb  
      load onSameDiagram  
      load contain1  
    }  
    {printAllDeepContains  
      load fb  
      load onSameDiagram  
      load contains2  
    }  
    {printAllDirectContains  
      load fb  
      load onSameDiagram  
      load contains3  
    }  
  }  
}
```
